

Role: Restoration Technician

Starting Salary: \$15/hour

Salary Type: Non-exempt

Pay Range: \$31,200 – \$52,000

Excel Restoration offers commercial and residential restoration from water, fire, smoke and mold damage. We are on a mission to improve the lives of not only our customers, but also our employees as well. Excel Restoration hires people who set high standards for themselves and want to make a difference in someone's life every day.

Don't miss your opportunity to join our team as a ***Restoration Technician!*** Our customers call us when they have had a disaster in their home or business, and our goal is to help them through the loss, taking care of them as if they were family.

Excel Restoration is seeking someone who is honest, positive and hard-working. If you are self-motivated, detail-oriented and work well on a team then you will thrive in this work environment.

Our idea of the ultimate candidate is one who is proactive, truly enjoys providing superior service, and loves taking ownership. Are you dependable and excited about routinely exceeding expectations? Then you may be our perfect hero!

We are offering a competitive pay rate and benefits with opportunity to learn and grow. You won't have to worry about getting enough hours with us, overtime is often available and encouraged! This is the kind of job that can turn into a career, as there is room for growth and advancement within the company. This is also a position that does not get boring, as each customer situation is unique, and we work together to provide the best solution for their needs.

Job Requirements:

- Previous experience in restoration or construction industry preferred
- Valid Driver's License with reliable transportation
- Ability to lift and/or move up to 50 pounds
- Excellent communication skills
- High School Diploma or GED
